

Declaration of CE Conformity

We, flexfactory ag, Giessenstrasse 15, CH-8953 Dietikon, Switzerland, declare under our sole responsibility, that the products

anyfeed SX160 P/N 001-727-000
anyfeed SX240 P/N 001-665-000

to which this declaration relates, are in conformity with the following standards

Machinenrichtlinie	98/37/EG
Niederspannungsrichtlinie	73/23/EG
Elektromagnetische Verträglichkeitsrichtlinie	89/336/EWG

The machine was designed to comply with the relevant and fundamental safety and health requirements defined in EU Directive 98/37/EG and the harmonised standards EN 60 204-1, EN 50081, and EN 50082-2 were applied. The machine must not be put in operation until all of the machinery into which it is incorporated has been declared in compliance with provisions of the effective versions of the directives. This includes all supplementary equipment and protective devices. The machine may only be used for its intended use as stated in the user documentation.

This declaration relates only to part numbers of flexfactory products, which are specifically mentioned in this declaration. The following listed modifications may cause this declaration to become invalid, unless the user performs additional tests to verify compliance with the applicable standards.

- Modifications carried out by the user
- Replacement of parts which are not listed in this declaration
- The addition of parts, which are supplied by the user

Declaration of Conformity

In accordance with:

EU DIRECTIVE ON EMC98/37/EG

1. Manufacturer

Manufacturer
Address

Flexfactory
Giessenstr.15
CH-8953 Dietikon

2. Apparatus

Name of product
Production country
Type of product
Product description
Technical documentation

FlexibleSchüttgut-Zuführung
Switzerland
Anyfeed SX160 and SX240
Schüttgut Zuführung
QuickSetupGuide

3. Summary of test results

Test type	standard	results
Mains terminal interference voltage	EN61000-6-4:2001 with limit A (Table1)	Test passed
Radiated electromagnetic field	EN61000-6-4:2001 with limit A (Table1)	Test passed
Immunity to ESD	EN61000-4-2:95+A1:98	Test passed
Immunity to EM field	EN61000-4-3:02+A1:02	Test passed
Immunity to fast electric transients	EN61000-4-4:95+A1:01+A2:01	Test passed
Immunity to surges	EN61000-4-5:95+A1:01	Test passed
Immunity to Rf common mode	EN61000-4-6:96+A1:01	Test passed
Voltage deviation	EN61000-4-11:94+A1:01	Test passed

**The Flexible Schüttgut-Zuführung type anyfeed SX
Conforms with the protection requirements of the EMC Directive
98/37/EG by its design and type of construction.**
